All I can do at NNU
Karli and Ethan love to play pretend.
Ethan pretends to be a zoo keeper. He knows how to care for animals.
Karli pretends to be a singer. She knows how to perform on stage.
Mommy says, “Do you want your pretending to be real? You need to go to college—one like NNU.”
In college you will learn everything you need to know to become a singer or zoo keeper, a doctor or a writer. And that's not all.
At NNU you can have a slumber party every night!
At NNU, you can go to church, called chapel, more than just on Sunday.
At NNU, you can take all the school subjects you really like.
At NNU, you can play your favorite sports with all your best friends.
And when you finish at NNU, you can be anything you want to be. College can make your pretending a reality!
NNU cares about equipping children to make their dreams a reality through quality Christian education.

If you would like information on college planning for your child's future or would like to put your child's name on NNU's database, please visit www.nnu.edu/studentnames.
