About me:

My name is Lynda Ackert and I am a veteran educator of 20+ years. I began my career as a public school teacher and taught both in the states and overseas for the Department of Defense before becoming a mother at the age of 33. I began homeschooling in 1999. As part of my passion for teaching, I discovered that I love creating material for teachers and homeschoolers! In 2010, I began my website (CHSH) where I really enjoy interacting with those who love to educate! I truly believe...

“Every child is a Masterpiece!”
