SCRIPTURE WRITING FOR
YOUR HOMESCHOOL YEAR

WELCOME TO WRITING TRUTH - A SCRIPTURE WRITING COPYWORK EBOOK FOR YOUR HOMESCHOOL YEAR.

For most, copywork is a well known aspect of homeschooling. For others, copywork draws a student's attention to proper letter formation, capitalization, punctuation, and even spelling and vocabulary learning by example. For homeschool students of any age and any grade level, writing practice can begin with simple tracing and encouraging good writing habits. We use scripture for the dual purpose that it can be used as part of your morning Bible time and to learn about themes throughout scripture. Homeschool.com's Writing Truth series covers a year with each theme covering one full month. There are 4 bonus copy pages: one for families that have children with special needs, and 3 holiday-themed copy pages. We've also included a section with alphabet examples and sheets of age-appropriate lined paper ready for you to duplicate.

We suggest wide ruled lined paper with pencils for the early learner, and as your copywriter improves you may consider buying your student a nice quality refillable pen and French ruled paper on which to practice their copywork.

Happy Copywriting!
