Read the following text and answer the questions below.

Christmas is a special time celebrated around the world. It all began over 2,000 years ago with the birth of Jesus Christ. People believe that Jesus was born on December 25th, and that's why we celebrate Christmas on this day. During Christmas, families come together to share love and joy. Many people decorate their homes with colorful lights, shiny ornaments, and a special tree called a Christmas tree. On Christmas Eve, children hang stockings by the fireplace, hoping that Santa Claus will visit and fill them with presents. Santa Claus is a jolly man with a white beard and a red suit who travels in a sleigh pulled by reindeer. A popular Christmas tradition is exchanging gifts. People give and receive presents to show their love and appreciation for each other. It's a time for kindness and generosity. No matter how people celebrate, the spirit of Christmas is about spreading love, joy, and goodwill to others. It's a time to be grateful for the people in our lives.

According to the Christian Bible, Jesus was born in Bethlehem to Mary and Joseph over 2,000 years ago. The exact date of his birth is not known, but the celebration of Christmas on December 25th was established several centuries later. The celebration of Christmas involves the retelling of the story of the Nativity, carol singing, exchanging of gifts, and other festive activities. It is a time for Christians to come together to remember the birth of Jesus and to celebrate the meaning of his life and teachings.

THE HISTORY OF CHRISTMAS

Christmas, celebrated on December 25th, is a joyful holiday that commemorates the birth of Jesus Christ according to Christian beliefs. However, Christmas has not always been associated with Santa Claus and gift-giving.

In ancient Rome, people celebrated Saturnalia, a festival honoring Saturn, the god of agriculture. This week-long party was filled with fun and games, and everyone was given a break from their work. As Christianity spread, some of these traditions became intertwined with Christmas.

The name "Christmas" comes from "Christ's Mass," which refers to a special church service. Initially, Christmas was primarily observed as a religious day. However, over time, it evolved into a celebration that incorporated various customs from different regions.

During the 1800s, Christmas trees gained popularity in Germany as they brought greenery and life into homes during the cold winter. The trend further spread when Queen Victoria of England displayed a Christmas tree, causing the idea to quickly catch on.

Santa Claus, the jolly man in red, has his roots in St. Nicholas, a kind bishop from Turkey who lived in the 4th century. St. Nicholas was famous for secretly giving gifts to people in need. The image of Santa flying in his sleigh pulled by reindeer was dreamed up much later.

In many countries, Christmas is a time for family gatherings, delicious feasts, and giving gifts, but each culture adds its own unique touch to the celebration. From Christmas carols to special treats, the spirit of Christmas brings warmth and happiness during the winter season.
